

Welcome to the SMART future.

# CITY OF MEMPHIS OPEN DATA PROGRAM

The City of Memphis Chief Information Officer, Mike Rodriguez, and the FedEx Institute of Technology invite all interested parties to join us **Monday, March 12 from 5:30PM - 7:30PM** at the **FedEx Institute of Technology** to learn about the City's new open data program, how it will be used to improve the delivery of government services, and how to get involved.

Citizens can connect with the City's data at the new website, [data.memphistn.gov](http://data.memphistn.gov). Come and discover how to navigate the site, learn what data is currently available, and let the City know what data to deliver next.

## RSVP NOW

**Monday, March 12     5:30PM - 7:30PM**
